## GOLF COURSES

### Abu Dhabi Golf Club

In 1995, a man said, «Give me a piece of desert and I'll give you a golf course» - Peter Harradine. In 1998, a spectacular, lushly vegetated championship course emerged from the sand. It is the home of the HSBC Abu Dhabi Championship of the European Tour.

### Saadiyat Beach Golf Club

It is the first seaside course in the region and offers breathtaking views. This Gary Player-designed masterpiece takes advantage of the beauty of Saadiyat Island's natural beaches while respecting the environment for a unique playing experience.

### Yas Links Abu Dhabi

Surrounded by beautiful mangroves, Yas Links, designed by renowned architect Kyle Phillips (Kingbarns), is the only true links course in the Middle East. It has eight holes located directly along the coastline.
